

# THE SISTERHOOD OF

TEMPLE  SINAI  
OF HOLLYWOOD

We're Asking You to  
Join Our  
Sunshine Club and  
Help Us Do Mitzvahs!!

**Who:** Women or Men

**When:** There are times in our lives when we need the help of our Temple Sinai Family.

**Why:** In doing mitzvahs of loving kindness we are acting in a G-dly way. We can all help our synagogue family in times of need and in times of joy. Our children and grandchildren can help too.

**How:** We all can help in some way:

- Calling new parents
- Visiting patients in a hospital, rehabilitation center or home
- Visiting people who are restricted to their home
- Telephone contact with those who are ill or homebound
- Picking up some groceries for someone
- Having your children draw pictures to bring joy
- Helping at a shivah home

**We will train you!**
